

REMARKS

Claims 1, 3-19 and 22 are pending in the application. Claims 1, 3-19 and 22 are rejected under 35 U.S.C. 102(e) as being anticipated by US patent Application No. 2002/0085516. Claims 10-18 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claim 1 has been amended to include the limitations of allowable independent claim 10. Claim 10 has been cancelled. Claim 3 has been amended to include the limitations of allowable claim 10. Applicants submit that dependent claims 4, 6, 8, 11-13 and 15-18 are allowable by virtue of their dependency on now allowable claim 1. Applicants further submit that dependent claims 5, 7 and 9 are allowable by virtue of their dependency on now allowable claim 3. Claims 10, 14, 19 and 22 have been cancelled.

In view of the foregoing remarks, Applicant submits that independent claims 1 and 3 are in condition for allowance. Applicants further submit that claims 4-9, 11-13 and 15-18 are allowable by virtue of their dependency on independent claims 1 and 3. Applicants request the reconsideration and reexamination of this application and the timely allowance of the pending claims. Please charge any fees associated herewith, including extension of time fees, to **50-2117**.

Respectfully submitted,
Sundar, Rangamani, et al.
